Installation cable UMJ 500 U/UTP 4x2xAWG23/1 LSZH, Cat.6A, blue, 305 m

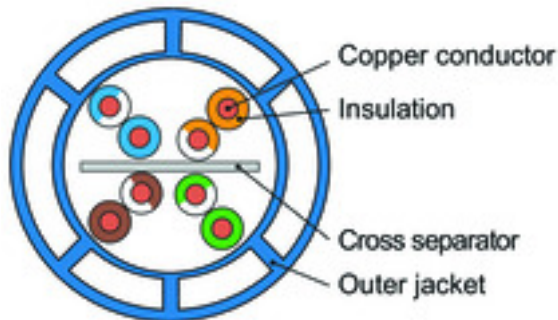

Fig. may differ

Technical Attributes	
Description	UMJ 500
Structure	U/UTP 4x2xAWG23/1 LSZH, Cat.6a
Category	Cat.6A
Colour	blue
Length	305 m

Description of the Series/Product Category

Notice: The following information refer to the series/product category as a whole. Please see the specific datasheet for specific technical information of a particular product.

Special applications and installation environments make it necessary to omit an individual pair shielding or a total shield now and again. The responsibility for compliance with the EMC must be met by trimming out the symmetry of every line, by laying in shielded cable laying systems or by other measures. U/UTP cables are especially thin in the outer dimensions and can therefore be accommodated in very narrow cable duct systems. The demand fo...
