Installation cable AMJ 1000 S/FTP 4x2xAWG23/1 LSZH; Cat. 7, blue, 500 m

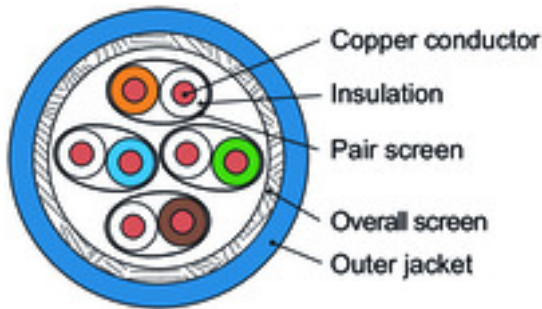

Fig. may differ

Technical Attributes	
Description	AMJ 1000
Structure	S/FTP 4x2xAWG23/1 LSZH
Category	Cat.7
Colour	blue
Length	500 m

### Description of the Series/Product Category

Notice: The following information refer to the series/product category as a whole. Please see the specific datasheet for specific technical information of a particular product.

In accordance with EN 50173-1 the designation S/FTP describes a cable with an individual pair shield of aluminium foil surrounded by a mesh as a total shield. These cables with LSZH sheath are mainly used in buildings to provide the horizontal cabling infrastructure. Other cables with cable sheaths such as PE or PUR are installed for applications with higher ambient demands or special mechanical application conditions. Cables with flexible wir...
